

## Do you have willing hands?

MCT organizes teams to construct and repair facilities for evangelical ministries in the United States and around the world. We are comprised of willing hands both skilled and unskilled alike. We partner in construction with ministries that spread the gospel of Jesus Christ.

Through this ministry we have the opportunity to share the Gospel, build up the church with encouragement, and walk alongside the body of Christ both on the team and with those we work with.

### Come Join Us!

MCT Missionary Construction Teams is a 501(c)(3) tax-exempt organization and donations are deductible to the full extent of the law.

## United EFC parsonage Seattle, WA

The reroof of the United EFC parsonage went very smoothly. On weekend one the old roof was stripped, sheathed and dried in with felt paper. On weekend two we were able to finish shooting down the roofing. We had a great turnout of volunteers from United and MCT folks making a team of 12 to 15. The fellowship was great and the work made light by many hands working together. The roofing for this project was acquired through Black Lake Bible Camp, and World Vision. Thank you all for your participation, work, and great food.

## Tacoma Ave. EFC parsonage Tacoma, WA

Right after our trip to Poland we were able to help the Portland Avenue Church roof their parsonage. They hired out the roof stripping, so our part was to repair sheathing and shoot down the new roof. We thank the Lord for dry enough weather and safety of the team.

## Camp Bato

Sibonga, Cebu, Philippines

January 6-28, 2017

We will be sending a team of 5 to replace another cabin and start a set of comfort rooms for them. Between our team and a AllianzMission team from Germany three of the old cabins were replaced in 2016, so this year's project will make a total 5 new cabins. The estimate for the new cabin, bunk beds, and comfort room is: Cabin \$3660, Bunks \$870, and Comfort room (Restroom/showers) \$2000 for a total of \$6530, of which we have received \$2800. We would like to ask you to help us raise the remaining \$3730 so that we can complete this project for full usability for the upcoming camping season.

Please pray that our team would be an encouragement to our brothers and sisters in Christ in the Philippines, and that we would be used as His light to the community:

Jonathan Lundberg, Lloyd Jones, Lianne Adams, Mark Anderson and Nathan Jacobs

# Missionary Construction Teams

My husband John and I have had the privilege to join with Missionary Construction Teams twice now on short-term missions to Poland. This brief article will not come close to describing what an incredible blessing and opportunity it has been to share with brothers and sisters in Christ in the country of Poland. Three years ago we connected with MCT through a recommendation of missionary friends in Poland, Mark and Naomi Hale. How special to meet people we had been reading about and praying for in the newsletters from the Hales, and to join MCT in effort to bless the church family in Piotrków Trybunalski by helping with church building construction needs.

What made such an impression on us was how connected the universal church is, despite language barriers and cultural differences, and how vital it is to spend time encouraging one another in our

recipients of such trust, kindness and gratitude.

The bond was not only directly with the church family in Piotrków Trybunalski, but has been extended to our church family as they have faithfully prayed for and continue to ask about the individuals and church needs we have shared with them.

And undoubtedly spending 3 weeks together with the MCT crew created a family-like connection: beginning each day in bible study and prayer, working together in clouds of brick dust, living in close quarters, discussing the delicious

multi-course Polish meals we were being served, wiping tear-filled eyes during testimonies, 21 days of Kielbasa with breakfast, discussing the irony of being the ‘surprise guests!’ at a youth event, remarking on God’s incredible and perfect timing in preparing many conversations and extremely rich time spent with the Poles, and especially celebrating the power of Christ’s grace and His word to change us to become more like Him. Thank you to all who support Missionary Construction Teams and the furthering of the gospel.

Gratefully,  
John and Senya Roscovius  
Eagle River, Alaska

Looking forward with MCT Come join us on a project.

> **January 6-28, 2017, Camp Bato, Cebu Island, Philippines:** Forming team of up to 10 to build cabins.

> **Spring 2017, Columbia SC:** Flood relief team.

> **Projects we’re looking at:**

- Bethel Church, Vashon Island, WA: Ed building remodel
- United EFC Parsonage, Seattle: Add restroom to parsonage
- Portland Avenue EFC, Tacoma: Sanctuary roof
- Piotrków Trybunalski, Poland: Interior walls
- Black Lake Bible Camp: Addition to shop

## Prayer Corner

Pray for the Philippines team for encouraging fellowship of the church and team safety.

Pray for wisdom on projects to tackle.

Pray for MCT’s Board of Directors: Pray for us as we forge partnerships. The board members are: Bill Straw, President; Ron Sauke, Vice President; Rusty Gigstead, Secretary; Chris Brunner, Treasurer; Jeff Shivel; Al Washabaugh; Linda Sauke; Nathan Jacobs, Executive Director.
